Creating a Video Quiz

Host your Video in Panopto – you can upload a video from an external source, or record a video using the desktop client. Instructions for either of these are located here.

• http://tech.rochester.edu/panopto-tutorials/

Add Quiz Questions to your Panopto Video

• <u>https://support.panopto.com/s/article/Add-a-Quiz-to-a-Video</u>

Add your Video Quiz to your Blackboard course

• In the content area where you want to have your Video-based quiz, choose Build Content. And then choose **Panopto Video Quiz**

- Provide a name, and fill in the description. Attach a file if you wish.
- If you want to connect this Quiz into your grade center, turn on "Enable Evaluation". Then provide the number of points you want the quiz to be worth.

	GRADING		
	Enable Evaluation	s 🔘 No	
	To set additional evaluation options, use the Column settings in the Grade Center		
	* Points Possible 3		
•	• Fill out any other options for this asses	ment (visibility, due date, etc.)	

Click Submit

The quiz will appear in the content area as a new item.

Now, click the link for the Quiz (Panopto Video Quiz). This will allow you to link this item to a specific video within Panopto.
