

How to Read Academic Progress for Students

Undergraduate students from Arts, Science and Engineering and Eastman School of Music can view their academic progress for Majors, Minors and Clusters within UR Student. See steps below for details. This information is updated when you register for classes or when a course is graded. This will replace U.Achieve Degree Audit.

Viewing Academic Progress

1. Log into [UR Student](#) using your Active Directory account and password.

Note: If off campus, use Duo Two Factor authentication

2. Click on the **Academics** application

Note: If you do not have the **Academics** application in Your Top Apps, navigate to the Menu. The **Academics** application will be under **UR Student**.

3. Within the **Academic Advising** section (right of the screen) click on **View My Academic Progress**

4. When you see your name on the Academic Progress page, click OK at the bottom of the screen.

Reading Academic Progress

Academic Progress indicates if you have completed an academic requirement or not.

1. Within the Academic Progress screen, view the **Status** column highlighted below to determine if you have completed the academic requirement (satisfied). Viewing Overrides in Degree Progress...

The College or a department may make an exception for a student to one of the academic requirements. In UR Student the Academic Requirement will then have an override placed on it. For example, a student is earning 2 degrees is required to take 136 credit hours instead of 128 credit hours. You can view an academic override by looking at the academic requirement.

1. Click the blue hyperlink and look to view courses that are being used to satisfy the requirement within the **Requirement** section

Requirement

128 Credit Hours Requirement (Override Assigned)

2. At the bottom of the list you will see the **Overrides** being used.

PHYS 114 - General Physics II (Transfer Credit) 4

PHYS 113 - General Physics I (Transfer Credit)(Repeat) 4

MATH 161 - Calculus Ia (Transfer Credit) 4

MATH 162 - Calculus Ila (Transfer Credit) 4
