*Use this reference when registering from a saved schedule **AFTER** the registration window is open. If you have not created a saved schedule, follow the link in A and B below, otherwise, follow step C below.*
A. Find a course section
B. Create a saved schedule
C. Register from your saved schedule

C Register from a Saved Schedule

1. When the academic registration window is open for your school, log into UR Student, click **Academics** under Your Top Apps.

   Note: If you do not have the **Academics** application in Your Top Apps, navigate to the Menu. The **Academics** application will be under **UR Student.**

2. Under Planning & Registration, click **View My Saved Schedules**

3. Click **Register** on the row for the saved schedule you are to registering for

View My Saved Schedules
