

Cancel Requests

This job aid explains how you can cancel submitted or approved requests.

About Requests

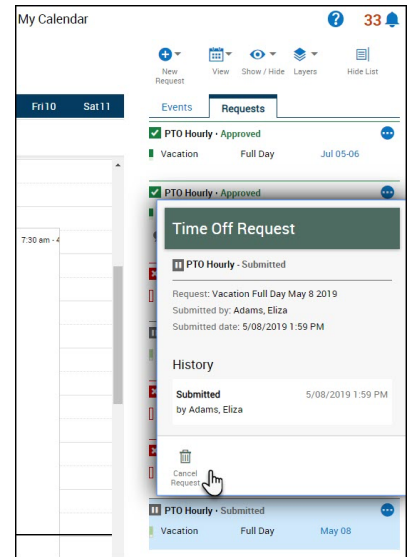

- **Only for time-off requests**, you can cancel your submitted or approved requests.
- **For swap requests**, you cannot cancel. Instead submit a new request that reverses the original request with the same employee.

Cancel from My Calendar:

1. Click **Main Menu > My Information > My Calendar > the Requests tab.**
2. Select a request.
3. Click **More**.
4. Click **Cancel Request**.

Important: Cancellation is immediate; you are not prompted to confirm.

- Submitted requests become Cancel Submitted.
- Approved requests become Cancel Approved.
