

Download Microsoft Teams to Your Computer

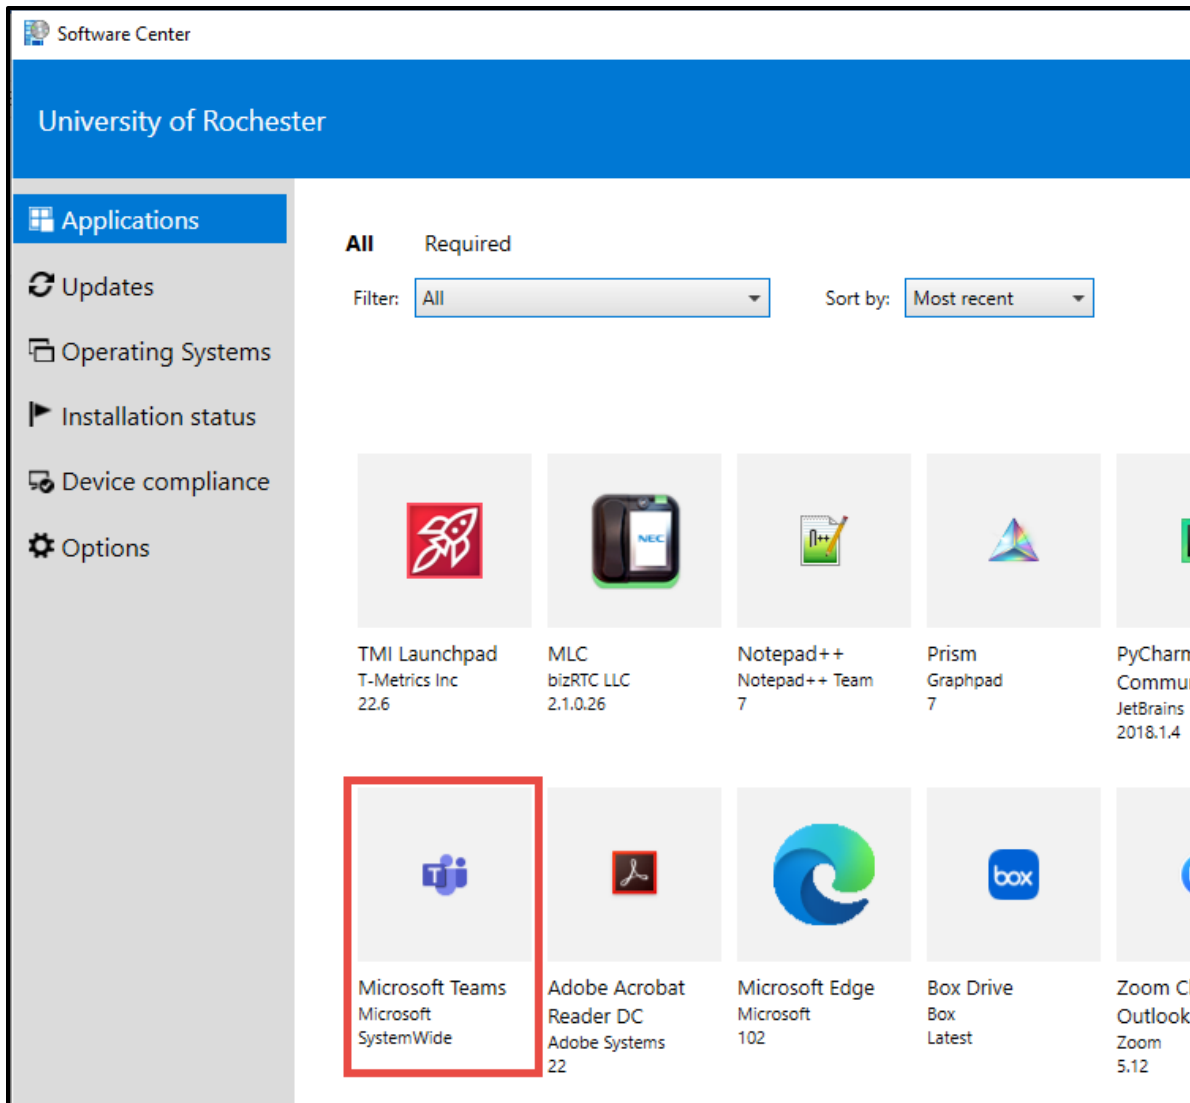

Duration: 5 minutes

Step 1: Click the **Start button / Windows button** on the taskbar, then click the **Microsoft Endpoint Manager** folder and select the **Software Center**.

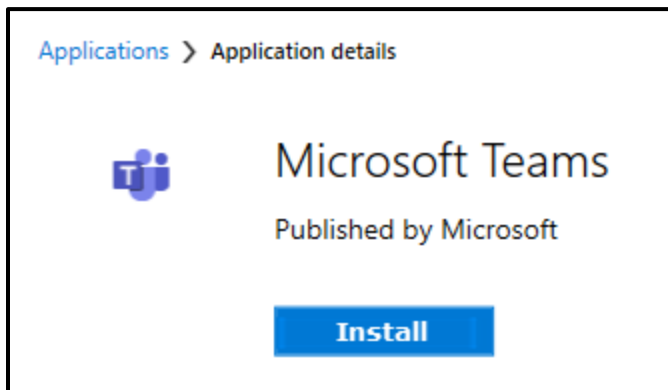

Step 2: Find and click the **Microsoft Teams** application.

Step 3: Click **Install** and follow the on-screen instructions.

Step 4: Once installed, you may log into Microsoft Teams with your work email and password.
