Enabling Dimensions to Access Your Location (for Timekeeping only)

In order to punch in or out from your computer using the Punch tile, Dimensions needs to be able to access your location. To enable this from your computer:

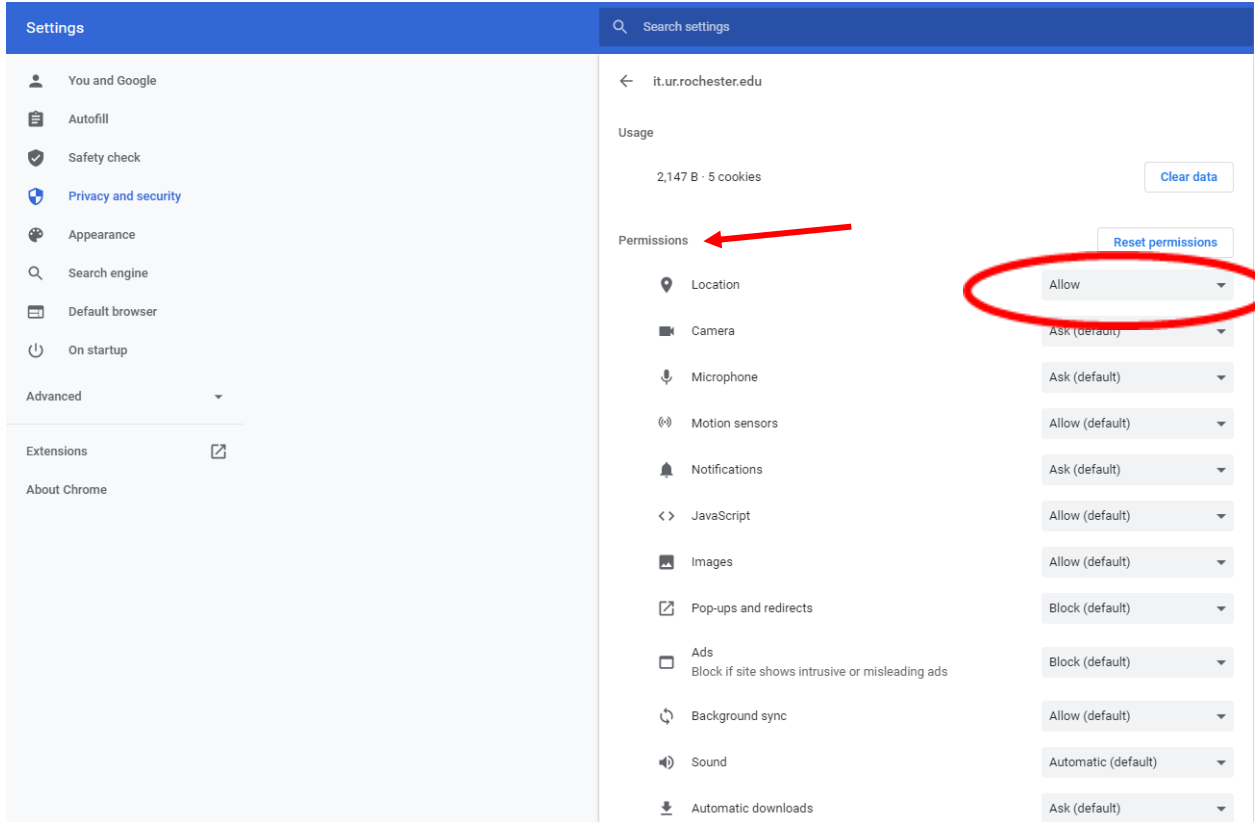

1. Open the Chrome browser
2. Go to the Dimensions website: <https://univofrochester.prd.mykronos.com>
3. To the left of the web address, click the lock icon:

4. Click **Site settings**

- Under Permissions, change the setting to **Allow**. Your changes will automatically save.

- Close Chrome and relaunch Dimensions
