

How to change the App power monitor setting on Android phones

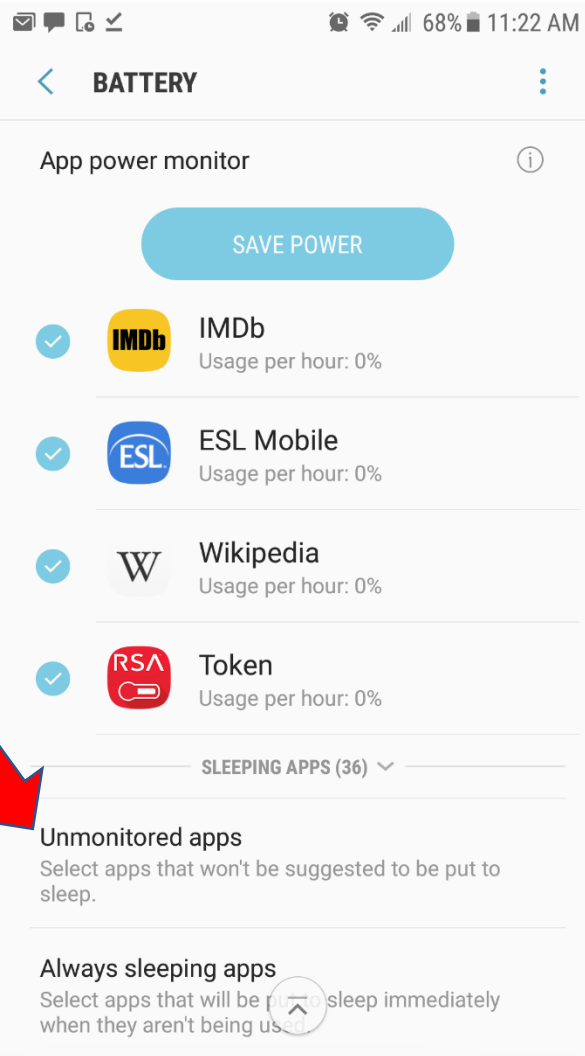

Go to **SETTINGS**.
On the Samsung Galaxy, it's under
Device maintenance

Select **Battery**

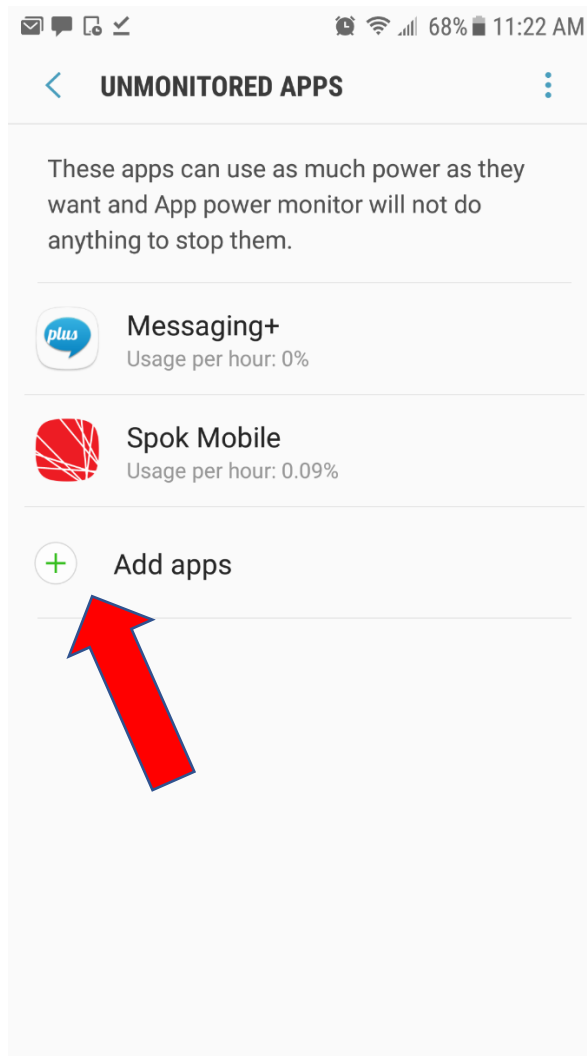

Scroll past **App power monitor**

Select **Unmonitored apps**

V 1. 2018.1.3

Click **+ Add apps**.

Select **Spok Mobile**.

Click **DONE**

Note: Not all Androids are identical in menu layout, however the basic choices are the same.
