

OPEN REGISTRATION: Register from a Saved Schedule

Use this reference when registering from a saved schedule **AFTER** the registration window is open. Follow these steps to register from your saved schedule.

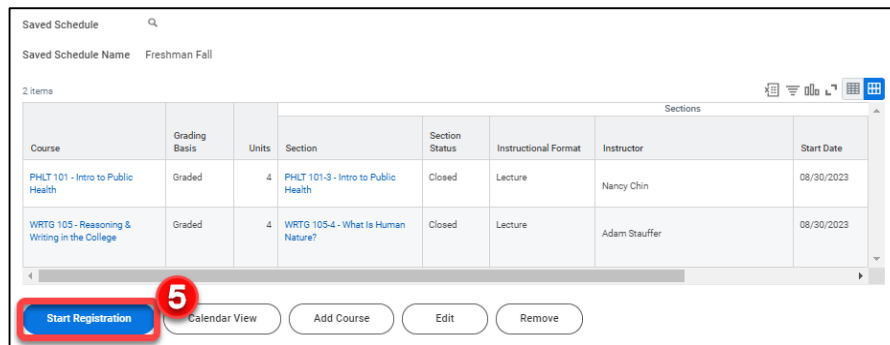

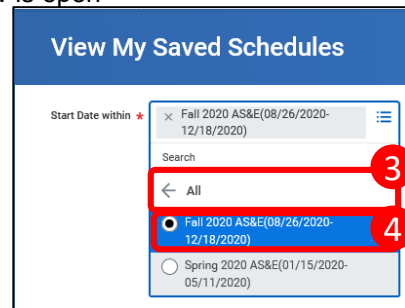

A. [Find a course section](#)

B. [Create a saved schedule](#)

C. [Register from your saved schedule](#)

C Register from a Saved Schedule

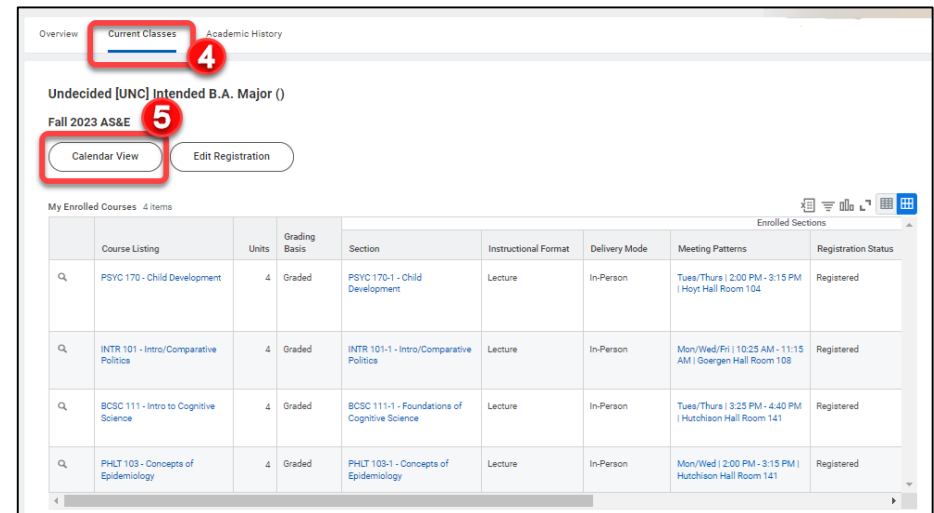

1. When the academic registration window is open for your school, log into [UR Student](#), click **Academics**
2. Under Planning & Registration, click **View My Saved Schedules**
3. Click **Start Date within** and select **All**
4. Click the **Academic Term** of your saved schedule you wish to register and click **OK**
5. Click **Start Registration**
6. Review your selections to ensure you have selected the appropriate sections, grading basis and units, then click **Register**

Tip: If you cannot register from your saved schedule, watch the [Troubleshooting Course Registration QRV](#)

Verify you have Registered for a Course(s)

1. Log into [UR Student](#)
2. Click your picture, or cloud icon and select **View Profile**
3. Click **Academics** (blue navigation area)
4. Click **Current Classes** to see all registered classes by academic term
5. Select **Calendar View** to see classes in weekly grid view

Note: **Edit Registration** allows you to edit criteria for your registered classes such as Units and Grading Basis only.
