

Requesting Permission to Register

This Quick Reference Card shows students how to request permission to register for a course that is locked.

Find Course Sections

1. Click **Academics** icon from your Home page
2. Under **Planning and Registration**, click **Request Course Section Pre-Requisite Override**
3. Enter **Academic Period & Academic Unit**
4. Enter **Course**
5. Enter **Course Section**
6. Click **OK** to continue
7. Enter **Comments** (include all relevant information you want the instructor to know about your request)
8. Click **Submit**
9. **Review** all information pertaining to your request
10. Click **Done** to complete the process. Your request is sent to the instructor for review

Welcome, Andrew Tomash
