Find Course Sections

1. Click Academics icon from your Home page
2. Under Planning and Registration, click Request Course Section Pre-Requisite Override
3. Enter Academic Record, & Academic Period
4. Enter Course (if no course shows up then there are no course sections that require permission)
5. Enter Course Section (if no course section shows up then this course does not require permission)
6. Click OK to continue
7. Enter Comments (include all relevant information you want the instructor to know about your request)
8. Click Submit
9. Review all information pertaining to your Request
10. Click Done to complete the process. Your request is sent to the instructor for review
11. Check your Notifications in UR Student for the approval from the instructor to be able to register for the course
12. Go into UR Student and register for this course section
