

# Troubleshooting Register for Courses

Sometimes course registration does not go as smoothly as you would like. If you have tried to register for courses and are experiencing problems, here are some tips on troubleshooting the process.

- From the View Course Section registration screen, check if there are seats available in the course
  - If there are seats available, click **Troubleshoot**
- Enrollment Window: Yes**, registration is open. **No**, registration is closed
- Holds:** If you have a Hold, click the **Number** link to view Holds
- Review **Can Register** columns in the Course and Course Section tables
  - If all lines = **Yes**, there are no registration issues
  - No Duplicate Registrations = No**, means you have taken the course before
  - If you have previously taken the course, **Can Repeat** will indicate whether or not you are allowed to register again.
  - Access to Enrollment = No**, see your school's Registrar to register
  - Eligible = No**, you have not completed requirements and need instructor permission or to be enrolled in a specific Program or class year  
(See *Request Permissions to Register for a Course* video for more instructions)
  - No Time Conflict Exists = No**, resolve the conflict
  - Has Capacity = No**, means course section is full
- Seats Available** will let you know whether or not the class is full.
- If you cannot resolve the issues on your own, **contact your Advisor or Registrar** for help
