

# View Holds

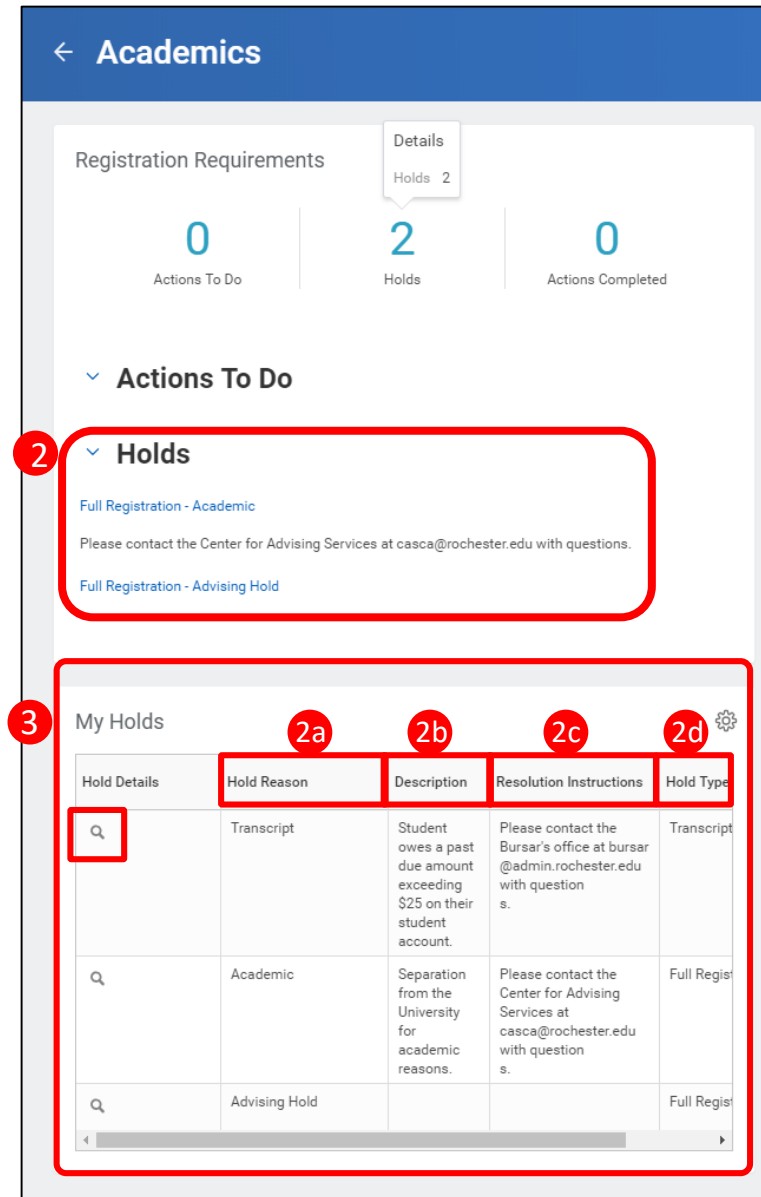

Holds on your student account prevent you from performing certain tasks, such as registering for a Course Section. To have the Hold lifted, you need to complete a series of actions, but these depend on the type of Hold applied. There are different types of Holds, but you can view them all, and their Resolution Instructions, following these steps in UR Student.

## View Holds

1. From the Home page, click the **Academics Application**

2. Some Holds affect registration such as Academic and Advising Holds; a Transcript Hold does not affect registration
3. The **My Holds** section of the Academic page explains the details of Holds on your account and how to resolve them
  - a. **Hold Reason**
  - b. **Description**
  - c. **Resolution Instructions**
  - d. **Hold Types**
