UR Student provides quick access to your Teaching Schedule through the Teaching Application. The Teaching Schedule shows you basic information about your Course Sections, such as the meeting pattern, number of enrolled students and location.

View Teaching Schedule

From your UR Student Home Page
1. Click Teaching Application
2. Click View Teaching Schedule

3. Specify the Academic Period
   Note: to see your current Teaching Schedule, click Current Periods in the drop-down menu

4. From this view, you can print your schedule, export to Excel or look at Course Section details if the Course Section is Open and hyperlinked

5. To export your Teaching Schedule, click the X icon, top right in the blue bar
6. To print your Teaching Schedule, click the Printer icon, top right in the blue bar
