

# Viewing Student Support Network

An important component of a student's experience at the University is the network of professionals supporting their educational goals and objectives. You can review a student's Support Network from their profile directly or by starting with My Advisees Application.

## View Student Support Network

1. From your Home page, click **My Advisees** Application
2. Click **My Advisees** tab
3. Scroll through **My Advisee List** to find the student
4. Click the student's name link, bringing up the student's profile
5. Click **Actions** in the blue column
6. Click **Student Cohort**
7. Click **View Support Network for Student**

The View Support Network for Student page shows the Role, Student Cohort, Person and the Person's contact information.

- The **Roles**, **Student Cohorts** and **Person** cells are hyperlinks you can click to access additional information
- The **Visible to Student** column shows what a student can and cannot see
- You can also export the table to Excel or print it, using the **X** or **Print** icons in the blue bar
